

### Heavy cleaning – Easy working

BA 625/725/825 are powerful enough to handle heavy-duty applications, and offer the sensible solution to serious cleaning situations.

As with all our current scrubber/dryer models, ECO (water and detergent saving) is standard, and EDS-ECO Dosage Solution is available(option) to ensure accurate, economical and environmentally friendly on-board detergent metering system.

### PRODUCT FACTS

- Large 81cm disc deck and economical 24V battery pack offer the best ratio productivity/investment.
- Choice of 3 brush deck sizes and a cylindrical deck plus accessory options ensure the right machine for each particular application
- Powerful 24 volt platform and adjustable scrubbing pressure gives productive cleaning of large floors and heavy traffic areas
- Low operating noise level for less disturbance and operator comfort
- Easy access to tank and batteries for cleaning and service and no tool needed for scrub deck access
