

## The most ergonomic backpack vacuum

Nilfisk BACKUUM™ is setting standards for comfort and efficiency for backpack vacuum cleaners. The unique and revolutionary ergonomic design increases operator mobility and makes it easier to clean confined or cluttered areas. The BATTERY version allows vacuum cleaning wherever and whenever.

Hard-to-navigate areas are no problem with this revolutionary, ergonomic vacuum cleaner. A heavy-duty motor and lightweight construction boost productivity by up to 30% compared to a traditional vacuum cleaner. <BR><BR>With a running time up to 20 minutes on the BATTERY version and with extra battery packs the machine can be used continuously.

## PRODUCT FACTS

- Cable or battery version gives the operator maximum freedom
- Adjustable for left or right handed use
- HEPA filter are available for cable version
- Wide working radius
